It Shall Be Done In Jesus Name!

## The Vision

The Vision that has been birth in our hearts. Is to establish a foundation of Faith and hope into the lives of those that have been battered and scarred by the many difficult challenges of life. They may have found themselves overtaken by their own life struggles and have been destroyed by addiction, loss of resources and bad decisions. It is our desire to help these individuals be restored to place where they can achieve his/her fullest potential and be able to participate and contribute to all aspects of life. There life as well as the life of others around them. By doing so we believe this will make a radical impact in our community, our city, our world.

Our hope is to target specific geographic communities in Tampa and surrounding areas. Our plans are to provide a spiritual, social and economic foundational structure in these communities to meet the needs of every man, woman and child regardless of race, creed or nationality.

We shall establish

- A multi-purpose facility in the community that will be a haven for helpless individuals
- Programs for abused women and children
- A feeding and clothing ministry for homeless and displaced individuals
- A "Life360" Restoration program that will assist those that have been incarcerated and /or have overcome addictions, so that they may began the process to restore the "broken pieces" in their life
- A life skills training course to teach individuals to thrive independently
- Create employment opportunities for those with a troubled past
- A system to identify other specific needs of the community and partner with others to achieve Restoration
- Our organization in such a way that we shall be a beacon of hope for anyone desiring to be RESTORED!

**WE SHALL BE A LIFE SHAPING, WORLD CHANGING TRANSFORMATIONAL SERVING MACHINE!**
